### Download Elden Ring

**How to install and crack ELDEN RING game: Download the.nsi file and save it somewhere you'd like. Once this is done run the.nsi file and follow the instructions to install the game on your PC. After the game is installed, disconnect your online connection (if you use one) and run the cracks.exe file for the game. Enter a name for the crack and select the files you'd like to crack. If you want to crack an entire folder of cracks, leave "Adjust Filename" unchecked. Once the crack is complete, run the crack again if you'd like to use the crack for other games. If the crack was for an entire folder of crack, make sure the "Open Folder" check box is checked. This will allow you to crack the folder and its contents on the same run. When done, disconnect your connection and re-run the crack if you'd like to crack another folder. Continue this process until the cracks are complete. If you have a folder of cracks for a single game, and only one crack needs to be completed, then it is not necessary to run the crack a second time. When you're done using the crack, go back to "file locations" and deselect the games you've cracked. This is not recommended, but if you're quick you can crack many games in a short period of time. OLD CRACK for ELDEN RING 1.4.0.0 - Don't update to this version and all your progress will be lost. The crack will be repaired. The game will be forced offline before being uninstalled. OLD CRACK for ELDEN RING 1.2.0.1 - Don't update to this version and all your progress will be lost. The crack will be repaired. The game will be forced offline before being uninstalled. OLD CRACK for ELDEN RING 1.1.0.0 - Don't update to this version and all your progress will be lost. The crack will be repaired. The game will be forced offline before being uninstalled.
