Is the DINGOOMA320UUG2.SNO file the same one available on Model King Website. Is this a hacked ROM, Do you have the TAN file, I really would love to have this working on my Lusso, thanks for taking the time to read this and reply. Reply With Quote. If the first screenshot is showing as the only game. Then it's the normal version (never really played it). Be sure to check the URL's that udi is posting as well; DINGOOMA320UUG2.sno seems to be a correct URL of a game in the graphic when the game screen is loaded up. Reply With Quote.
